Xpress Buildings

The Kirby Xpress Buildings Promise

Kirby Xpress Buildings are perfect for countless agricultural, architectural, commercial, industrial, institutional and residential applications. They can be used as a garage, office, classroom, storage unit and more. Sizes starting from 30' X 40' X 12' all the way up to our largest building, 100' X 100' X 20', you're guaranteed to get the space, storage and shape you need.

From Order to On-Site in Just Three Weeks!

>> **Fast, Cost-Effective Construction**

Our goal is to provide the customized solution you're looking for while also minimizing the total cost of your investment. Our advanced engineering capabilities provide designs with fewer parts, and our smart, easy-to-construct systems provide a fast, economical way to build your next project.

>> **Superior Product**

Kirby Building Systems provides the product, service and value-added benefits required to ensure your next project exceeds your expectations and Kirby is a member of the Metal Building Manufacturers Association (MBMA).

>> **Reduced Construction Time and Maintenance**

Our Xpress Buildings offer the fastest and most economical way to build without compromising quality. The structures are low maintenance and durable, with the option for premium Kirby-Cool roof & wall paint finishes that are warranted for 35 years against fading, chipping or peeling.

>> **Personalized Service**

For more than 50 years, we've been manufacturing a quality product and backing it up with outstanding, hands-on service.

>> **Xpress Advantages Include:**

- Sealed Anchor Bolt Plans and Erection drawings sent to you immediately upon order acceptance.
- 26 Gauge Galvalume roof sheets
- Long Life Fasteners for roof sheeting
- 26 Gauge Wall Sheets (KR Profile)
- All Kirby Xpress Buildings include gutters and downspouts.

>> **About Kirby Building Systems**
