

ONE YEAR BUILDING WARRANTY

CERTIFIED DESIGN

Kirby Building Systems, LLC certifies that its buildings are designed under the supervision of registered engineers with the aid of state-of-the-art computer systems and in observance of the design criteria of the Metal Building Manufacturers Association, the American Institute of Steel Construction, and the American Iron and Steel Institute. Kirby certifies that this building is designed to the loads specified to Kirby on the Order Document in general compliance with the specified building code. Selection of loads is the responsibility of the buyer. The Kirby Project Engineer is not the Engineer of Record for the project and cannot be construed as such. Complete structural calculations are available upon request.

QUALITY CONTROLLED PRODUCTION

Kirby Building Systems, LLC certifies each building to be made of prime quality materials under qualified supervision using accepted quality control practices. Welding is done by welders tested for competence using American Welding Society tests. All purchased components must meet high standards. These standards and specifications are available upon request.

GUARANTEED DURABILITY

Kirby Building Systems, LLC certifies to its Purchaser and to the original owner that all material and/or accessories are warranted for a period of one year after delivery against failures caused by faulty or substandard material or accessories.
