

# Big Marsh Volunteer Fire Department

## LOCATION

St. Pauls, NC

## SIZE

12,524 sf

## ROOF SYSTEM

Standing Seam Roof 24 GA

The Big Marsh Volunteer Fire Department's primary purpose is fire protection and prevention. They provide a wide range of services to the community it serves with two main goals of saving lives and property.

The 12,524 sf facility was designed using a custom Kirby pre-engineered building and contains space to house their fleet of fire trucks and emergency vehicles along with amenity space. The exterior uses a Kirby Standing Seam Roof and is finished with brick (by others).
