KirbyLOK Mechanical

The Byron Township Community and Athletic Center is a new 28,800 sf Kirby pre-engineered metal building offering recreation activities for youth and older residents as well as offices for the Byron Township Parks & Recreation staff. The new facility includes offices, 2,500 SF multi-purpose room with capacity for 183 people that can be divided into three separate spaces, kitchenette, full-size 9,600 sf gymnasium with space for two basketball or three volleyball courts, elevated walking/running track, fitness area, and lounge area with two pool tables, lockers, as well as support spaces.

This project was the recipient of the Associated Builders and Contractors Award of Excellence for Pre-Engineered Buildings in 2010.
