Located on Old Fort Parkway, the \$3.7 million facility will feature eight indoor courts, electronic scoreboard, a pro shop, locker rooms, lounge area and meeting area. The facility will be open to the general public and serve as the home of the Blue Raider men's and women's tennis programs. The tennis project is part of Middle Tennessee State University's \$80 million Centennial Campaign. The state-of-the-art facility was completed in the fall of 2014.
