Kirby Builder raises \$7,000 for Boys to Men Leadership Program

On Saturday, September 28, Stewart Richey Construction, an Authorized Kirby Builder, held its annual golf scramble at the Crosswinds Golf Course in Bowling Green, KY.

The golf scramble's main goal was to raise money for The Boys to Men Leadership Program of Bowling Green, which aims to promote student manners and work ethics.

Kirby Building Systems has been a proud sponsor of this event, hosted by Stewart Richey, for the past three years supporting a chosen charity in the Bowling Green community and providing recognition for our teammates that participated in the golf scramble. Stewart Richey's DSM, DJ Kendel, attended the scramble with Jon Amann, Eastern Regional Sales Manager.

Stewart Richey is Kirby's 2017 and 2018
Builder of the Year!

**A huge THANK YOU to Stewart Richey Construction for raising
\$7,000
at this event and for their continued support to The Boys to
Men Leadership Program of Bowling Green and their
partnership with Kirby Building Systems!**
