

## Project Spotlight

OCTOBER 2022

### Dorrance Ford

#### Builder: Cornerstone Construction Management

Kirby Authorized Builder, Cornerstone Construction Management, provides construction management services throughout the greater Kalamazoo, Michigan area and all Southwest Michigan from their headquarters in Portage, MI.

Cornerstone recently completed this 29,300 square-foot commercial space for automobile dealer, Dorrance Ford. Located in Galesburg, MI, the structure includes a 26,500 square-foot single slope building with a 2,000 square-foot lean-to, as well as an 800 square-foot canopy for new car pickup.

The facility features Kirby's Standing Seam 360 Roof System in galvalume. Kirby provided the extra column support for a storage space mezzanine. In addition to siding by others, the exterior utilizes Kirby's Reversed Roll Panel in pearl gray.
