## RF Concrete Construction Wins YETI Drawing

Thank you to all who submitted projects to our 2023 Calendar Program. We received close to 100 project submissions this year. Selected projects are featured in the 2023 calendar. In addition to the calendar, you may receive recognition by having your project appear in our literature and website. Again, thank you for sharing your projects!

Each project that was submitted to the Calendar Program was entered into a random drawing for a chance to win a YETI Tundra 65 cooler. We are happy to announce RF Concrete Construction was our lucky winner!

### Congratulations RF Concrete Construction!
