2024 Calendar Program Now Open

The KBS Calendar Program recognizes outstanding facilities constructed with Kirby Building Systems' products and highlights the diverse applications of metal building systems. In addition to your photos being featured in the 2024 calendar, you may receive recognition by having your project appear in our literature and website.

Submitting your project(s) is easy with our online form. Simply upload images and complete your entry in one stop. Multiple views of your building are encouraged, so upload as many project photos as you want. This year's deadline is September 8, 2023.

THE CRITERIA IS SIMPLE

- Any KBS project may be submitted, regardless of completion date.
- Projects previously submitted during construction may be re-submitted at final completion.
- Send as many KBS projects as you like!
- Each entry requires a completed profile/permission form.
- If you have questions contact Betsy at 615.745.6001 or

betsy.hollingsworth@kirbybuildingsystems.com.
