Infinity Volleyball Academy **Builder: Beyond** **Construction Group, Inc.**

Kirby Authorized Builder, Beyond Construction Group, located in Jackson, MS, is a full scale commercial general contractor serving the Southeast for over 20 years, with projects across retail, restaurant, industrial, medical, educational, recreational, multifamily, hospitality, and institutional sectors.

Beyond Construction completed this new 39,000 sf facility for Infinity Volleyball Academy in Brandon, MS. The project combined the use of multiple veneers, a partial parapet, a partial mezzanine, and integral structural steel framing to support a massive sign structure at the front of the building.

The exterior utilizes Kirby's Standing Steam 360 Roof Panel in Bronze and Kirby's Reverse R-Panel in a custom color, as well as brick and EIFS.
