## The Marketing Portal One-Off Apparel Ordering Now Available

Branded apparel is one of the most popular items within the Marketing Portal. Displaying your logo, front and center, is one of the best ways to brand your company and create a lasting impression. When wearing branded apparel, you are building your culture and improving the perception of your company—the benefit of enhancing your image both within your company and to the public.

Within the Portal, we have many options to order bulk pieces of apparel with your logo and the Authorized Builder Kirby Building Systems logo, or the Kirby logo only. However, NEW to the Portal is the option to order One-Off apparel in name-brand choices, such as Carhartt® and Nike.

You can find these items that do not have minimum order requirements within the “Order 1, One-Off Apparel” folder within the Apparel selection.

Read [HERE](#) for an explanatory article on how to order Apparel through the Marketing Portal.
