

February 2024

Submit for Top Metal Builders — Gain Recognition!

Every year, *Metal Construction News* identifies the largest metal builders as measured by tonnage and square footage. There are two lists: Top contractors and top erectors. The numbers keep growing and the competition keeps getting stronger. Make sure to submit your entry this year.

As your partner, we encourage you to participate in this opportunity to raise the profile of your company and differentiate you from your competitors.

Metal Construction ***News***

The deadline to submit is **Sunday, March 17, 2024**, Click the link below to access the form and submit your entry.
